

Beacon Unitarian Team in The People's EcoChallenge
Oct.7-28, 2020

Transforming through Joy and Justice

FAQs on how to be part of the EcoChallenge

Co-Captains:

Teresa Morton: teresa.at.ecochallenge@gmail.com (main contact)

Meg Roberts: minister@beaconunitarian.org

Why join?

- Put our Unitarian principle into action: promoting and protecting the interconnected web of existence of which we Beaconites are a part
- Have fun!
- Learn and change habits
- Share within a supportive team

Steps to create an account and join the Beacon Team (and support to do so):

1. Go to: peoples.ecochallenge.org
 - Choose purple "Join" button top of screen
 - Login with Facebook, Google or create your own account (filling in required fields) - then Join!
 - Location and Demographics - you can choose in the drop-down menu "Prefer Not To Answer" in the demographics section.
 - Join an Existing Team: type in "Beacon Unitarian" and enter the password 'beacon'; then choose "Join"
 - You can invite friends and family - all are welcome (don't have to be part of the Beacon congregation), the more the merrier!
 - Choose "Dashboard" at the top of the website page
2. Watch their "How To" video (4 minutes) - gives info on navigating the website, choosing actions, etc.. For reference: Video: <https://vimeo.com/290638030>
You can watch it as many times as you need to as you go through the process of learning about the website and actions.

As we go along, connect with our Team:

- Sign on, then choose "Team" top of the page, and type in "Beacon Unitarian"
- There is a Team Feed to write posts in if you have questions, comments, and encouraging words for one another. You can "High 5" each other as you go!
- Let's Celebrate as we go and at the end: We will invite you all to optional weekly check-ins after the service if you want to connect/ask questions. At the end we'll have a Zoom team party!
