

Covenant of Right Relations

We, the members of Beacon Unitarian Congregation, acknowledge that this covenant of Right Relations exists within a spiritual community, based on the Eight Principles of Unitarianism.

We covenant:

1. To respect each other, honouring the diversity of opinions in the congregation.
2. To honour both the abilities and disabilities in the congregation.
3. To practice civil communication, which is courteous and considerate.
4. To participate with trust and commitment.
5. To challenge our assumptions and expectations.
6. To bring our goodwill and hear through our hearts.
7. To encourage laughter and the giving of care.

Recognizing that we are imperfect human beings, we will strive nonetheless to meet the intentions of this covenant.

(If the covenant is broken, we turn to the supportive policies on Conflict Resolution and Disruptive Behaviour.)
